

2026 ASSE Field Trip Program Estimated Air Costs

The Trip Prices do **NOT** include airfare. To calculate the approximate total cost of your trip, look for the departure city airport code nearest to where you live and locate the sample airfare for the trip(s) you wish to take. Add the estimated airfare(s) to the Trip Price(s). Since students are living with host families throughout North America, it is not possible to provide a comprehensive listing of sample airfares from each community to each trip destination. If you do not find your home stay airport code listed below, you may call our travel planner at 800-234-4723 to learn what your airfare will likely cost. The sample airfares are intended as a guide. Airfares are subject to change until ticketed. Should your actual airfare exceed the sample by more than \$50.00 USD, you will be asked to give your approval prior to ticketing. You will be asked to pay any difference between the sample and the actual airfare. You will receive a refund for overpayment if your actual airfare is less than the sample. We will attempt to use the lowest airfares available that meet the trip requirements. These airfares are highly restricted and are non-refundable once ticketed. Please note if you move and need to travel from a different airport, it is your responsibility to contact us with your new address, phone number and email address. If your airline ticket has been issued, you will be responsible for any change fees. Your airfare will include taxes and airport fees but will does not include any potential luggage fees charged directly by the airline at the airport. Please note that some airlines do not allow students to travel unaccompanied without an adult unless an additional fee is paid. Students will be responsible for these charges if required by the airline.

West Coast Exchange Student Tours

Arrives: San Francisco or Los Angeles
 Departs: San Francisco or Los Angeles

New York / East Coast Exchange Student Tours

Arrives: East Coast
 Departs: East Coast
